TASK 2: CREATIVE BLUEPRINT

EVENT NAME : PIXEL PIONEERS (A Journey into Creative AI)

1. Theme & Concept:
   A generative AI, where human meets the cutting edge of AI,
   Symbolizing the merger of tech and art.

2. Item Type:
   Merchandise, Swag or Digital goodies

3. Colors & Style:
   The design should be bold and vibrant hues, using neon greens,
   deep purple and visual stimulation to designs, creating a sleek
   and hi-tech look

4. Message/ Tagline:
   A Journey into Creative AI.
   Human creativity? Or AI algo?

5. Purpose:
   - Engagement and collaboration between designers and Ai,
   - Branding the Google Developer Groups and forming the
     network
   - Giving rewards for the winner
     For example: Google Merchandise, Swag
